## SUBMITTING A DWELLING RISK

Submitting a dwelling risk is easy when you have the right information!

What defines a dwelling?

LRO 1-4 families

Used primarily for residential occupancies and leasing the living area to others

What is required for a dwelling submission?

Habitational supplement (attached), in addition to an ACORD. These are required at time of binding.

Do you have a vacant dwelling? No problem. We can place in our Vacant Properties Program.

Please submit the Vacant Building Program

Supplemental Application in addition to the ACORD.
