

E&S MIDWEST INC NEWSLETTER

JANUARY 2025

SNOWPLOWING

The snowplowing class applies to contractors responsible for removing snow and ice from private streets, driveways, and parking lots by hand, plow on the front of a truck, or mobile equipment.

Snowplowing is a "convenience class," available when written in conjunction with another class (ie. remodeling, landscape gardening, etc)

Notify on the app if customers include small retail chains (ie. Walgreens)

Application of sand, salt, etc to reduce or prevent ice/snow buildup is included. Removal of dirt/garbage/debris can be classified using "Street Cleaning."

Not included:

Risks removing ice/snow from their own lots/driveways

De-icing agents using saline/other chemicals

Highways/public streets

"Big box" store removal (ie. Home Depot, Walmart)

Hospitals/nursing homes
