

E&S MIDWEST INC

NOVEMBER 2023 UPDATE

ROOFING CONTRACTORS

CLASS CODE: 98679

GUIDELINES

This class applies to roofing operations on residential and commercial properties that are 3 stories or less in height. Roofing work consists of installing and/or repairing the protective covering placed on top of the structure.

UNDERWRITING

Roofing work that is 10% or less of total operations is considered incidental and will not be subject to the roofing MP. Let us know if this is your case!

What is the best way to convey this information? A *roofing supplemental* will aid in receiving the appropriate premium. Please submit with ACORD application.

SUBMIT

Heat applied roofing operations can be considered through the Submit Dept. This includes torch, hot-air welder, and heat guns. In addition to an ACORD and roofers supplemental, 5 years verifiable loss history and a list of the applicant's last 5 jobs will be required upon submission. MP=\$5,000. Hot tar and residential developers prohibited. Please allow a 48-hour turnaround for Submit applications.

AT A GLANCE

- 3 stories or less
- Roofers supplemental and loss history required upon submission
- \$2,5000 MP, unless incidental, in which case, a \$1,000 MP applies
- Inspection required
- No hot tar

Send your roofing submissions today!
